

ENDS AND TRENDS WITH KIM AND KAREN

Karen's Trend Alert: Last time, we gave a preview into this fall's top 10 colors for women's fashion. This time, we take a look into what will be popular for men's fashion. And, guess what? The colors are pretty much the same except for one, Beaujolais. Fashion forecasters apparently decided to shift to a color palette that is unisex.

So, here we go...

- **Emerald:** A vivid green that brings sophistication and luxury to an outfit.
- **Linden Green:** Brighten up your darker, deeper fall shades with this yellow-toned green.
- **Mykonos Blue:** This staple blue gives a clean and classic look.
- **Acai:** This deep purple gives an exotic mystery and richness to the fall palette.
- **Samba:** This rich red is good for a dramatic and expressive look.
- **Koi:** This dynamic orange makes a bold statement.
- **Deep Lichen Green:** This mossy green is a great fall fashion addition to every man's wardrobe.
- **Beaujolais:** For that warm, full-bodied red, add this color to your palette.
- **Turbulence:** A strong neutral, this dark gray is a must-have.
- **Carafe:** A deep brown, this shade reminds me of an aromatic brew...
